

Getting Started - Read Me First

Last Modified on 01/11/2019 11:19 am EST

The topics listed below will give you a quick lesson in how to navigate and interact with aACE. Each guide may focus on a specific module, but the system conventions are the same throughout aACE – once you learn to work in one module, you can work in all modules.

1. [The aACE Main Menu](#)
 2. [List View](#)
 3. [Record Detail View](#)
 4. [Record Status Levels](#)
 5. [Sending Notices](#)
 6. [Record Logs](#)
